# AD ASTRA DEDICATION

This year's Ad Astra is dedicated to two people who have greatly contributed to life at S.C.I. & T.S.: Mr. Smith and Mrs. Kurvink. Mr. David W. Smith is the head of our Student Services Department. He has been a strong supporter of student activities in our school since joining the S.C.I. & T.S. staff in 1966. He has always been approachable when you are in need of assistance. For twenty-three years he has coached our Senior Football Team. This year he has decided to retire from his coaching duties. We are sure he will still continue to support the Blue.

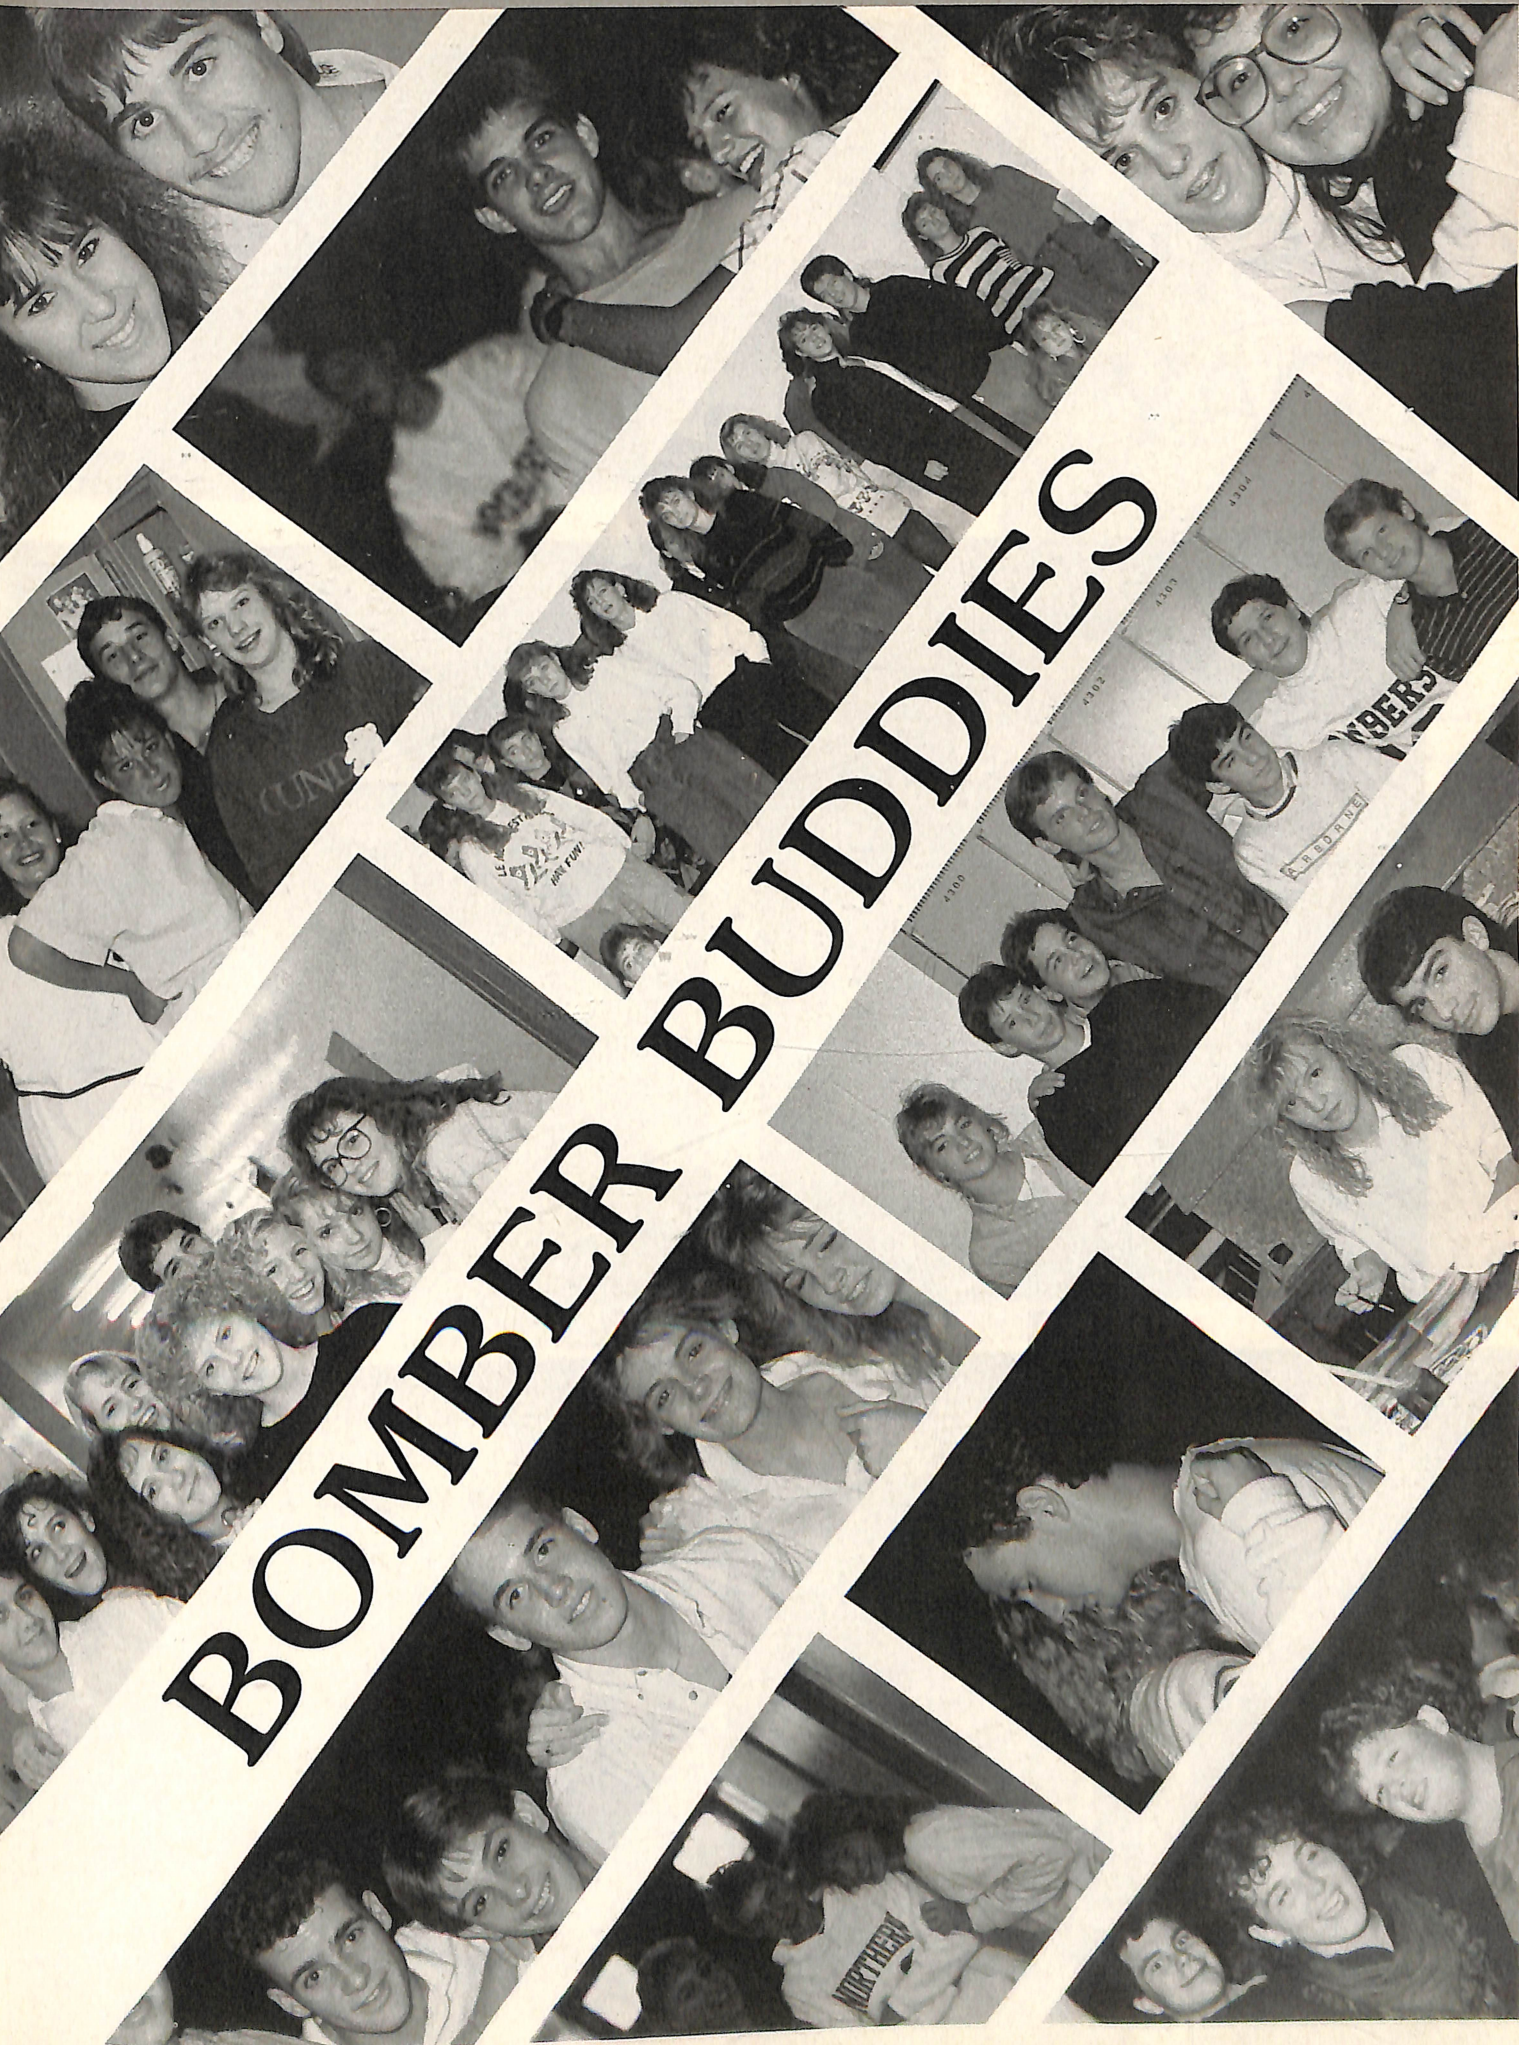

## SCITS THANKS YOU

From her years of singing in the school choir, helping with Chippewa Days, the Spring Carnival, the Homecoming Parade, and organizing the Art Club, Mrs. Kurvink has always been a large part of the spirit of S.C.I. & T.S. She has always urged her students to find for themselves the real integrity of their work and made creating a fun thing to do. She has shown all of us the importance of a sense of wonder and reverence for life. With Mrs. Kurvink anything is possible — life is to be cherished. We will certainly treasure our memories of her years with us.

# Slave Day

The day had arrived that all girls dreamed about; the Senior Football players were auctioned off as slaves. Dressed in diapers, skirts, and even dresses they carried books and their masters. In the cafeteria they sang us songs and modelled the latest fashions. We can't wait to see next year's trend. With all the fun a lot of money was raised for a good cause.

I've finally graduated from my trainer

# The Drama Club Presents . . .

Over 75 students had a dream come true on Friday, Dec. 2 in the S.C.I. & T.S. auditorium.

The Drama Club presented *Snow White and the Seven Dwarfs*. It was a flawless performance (unless you count Snow White moving her toes when she was dead)!

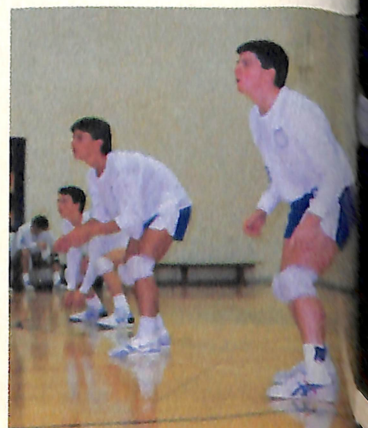

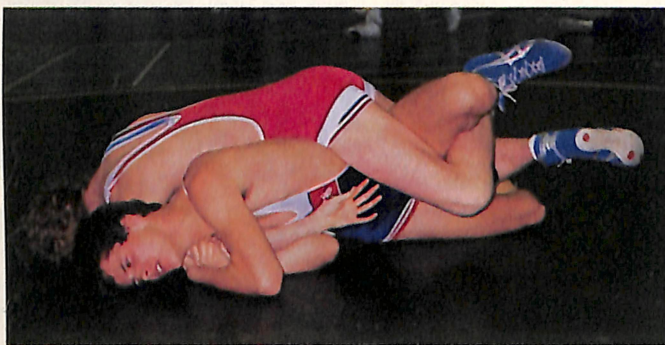

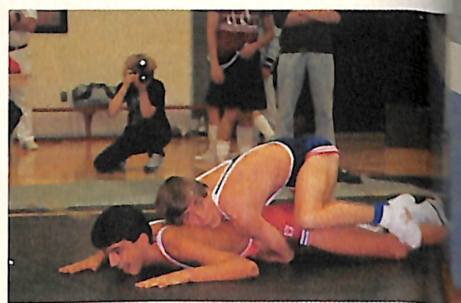

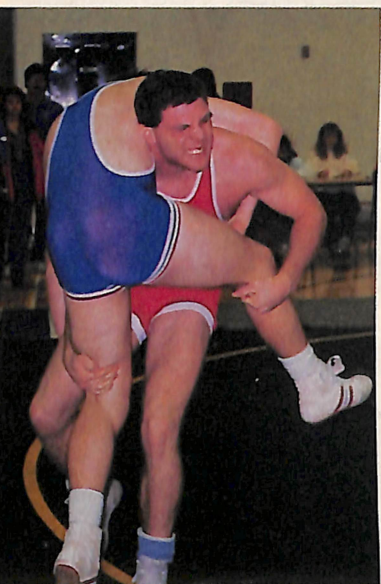

Congratulations were expressed in letters and pictures from the elementary school audience (over 1700) and the 400 viewers from Friday evening.

Mrs. Bisnette, Drama Coach, said the final performance surpassed her expectations. It only goes to prove that when S.C.I. & T.S. students get involved — they put their talent as well as their hearts and soul into the effort.

**The First Day of School**  
The day we dreaded had come,  
And no matter how we plead with  
mom,  
We have to go and face our doom.  
Ten long months of dismal gloom.  
We wait at the bus stop, our nerves  
are a wreck,  
As we step on the bus we think "Oh,  
what the heck?!"  
Summer dreams fade slowly until they  
are dead,  
There's no going back now, only  
ahead.  
  
Familiar faces say "hi",  
As we walk right on by.  
The load seems much lighter,  
And the future feels brighter.  
Maybe we'll survive after all . . .

### Walk Into Tomorrow

We walk into tomorrow with an  
uncertainty and fear.  
Of what lies ahead, in the world  
away from here.  
If our dreams seem too distant,  
let us never turn away.  
We shall put forth into tomorrow,  
the knowledge we've gained today.  
If the path appears too narrow  
and the days, too far ahead.  
Remember tomorrow brings change,  
give us the strength to comprehend.  
Let each tomorrow be our goal and  
each dream be a prayer.  
We'll walk into tomorrow and find  
our answers there.

The official 'band-aid' cutting ceremony on October 31, 1988 marked the grand opening of the SCITS Medical Room. Under the expert supervision of staff advisors, Mrs. Farina and Mrs. Hawkes, and in cooperation with the school nurse, Val Adamson, an energetic and enthusiastic group of students began the enormous task of providing such a service to the school.

The M.A.S.T. Team has become involved with many activities within the school. The club members have undoubtedly been very beneficial to our school for the services which they provide.

## Coaches Comments

In terms of victories our Blue Bombers had a disappointing season, ending with a record of 1-3. But in terms of leadership, intensity and comradery it was a satisfying season. All games were close, and when it came down to making the playoffs our Blue shut down the Colts for the final berth into the playoffs. In an emotional contest we lost to the undefeated and eventual league champion, the Fighting Irish. With the expected return of 20 veterans and the young junior prospects, the Bombers look strong in 89.

In one final sad note, the Bombers will lose the services of long time coach David Smith. After two decades of coaching "Smitty" will be hanging up his cleats. His strong leadership and winning desire will be missed by all. For those of us who have been rewarded by his presence, we say 'thanks'. We have lost a great coach and friend but have gained a loyal fan who will continue to be an inspiration to all that is "Blue" during football season.

To the fall of 89 we wait, to kick pigskin in clover and await our fate. May the Ghost be Blue in 89!

By: Coach Farina

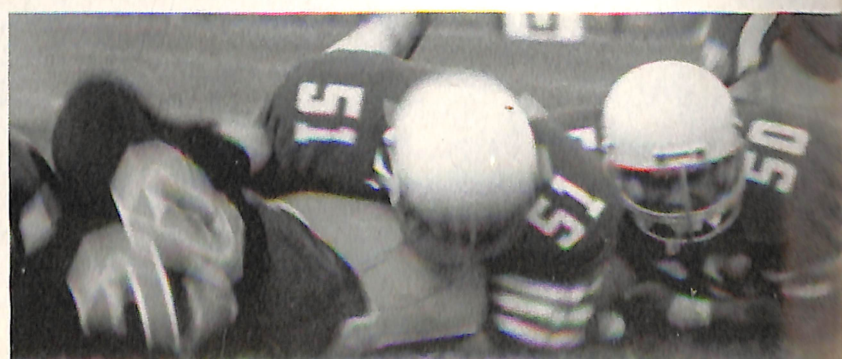

P.S. Special thanks to my coaching staff Dave Smith, John Scott, Warren Kennedy, Tim Purdy, Jim Robertson and manager Jamie Harper; and to all the loyal fans and cheerleaders that make coaching at SCITS and being a Blue Bomber so rewarding.

### Junior Football

The Junior Bombers worked very hard this year and probably should have had more success than they had. The players were a dedicated group of athletes who practiced hard and played hard. They had a good attitude toward the game, the officials and coaches. On behalf of the coaching staff, Mr. Tyro, Mr. Gusba, Mr. Martin, Mr. Davey and Mr. Trevor Hall, I wish to thank the players and fans for a good season. Next year it will be the finals for the Baby Blue.

# THE 1988 SEOUL SUMMER OLYMPICS

## From Triumph to Tragedy

The 1988 Seoul Summer Olympics will forever be remembered by Canadians as the Games in which Ben Johnson broke our collective hearts. Who will ever forget that brilliant 9.79 sec. clocking in the 100m, sprint when he decimated arch-rival Carl Lewis, only to discover a few days later that the victory was tainted by steroids?

It somehow seemed small consolation for Canadians when gold medals were later won by Lennox Lewis in boxing and Carolyn Waldo and Michelle Cameron in Synchronized swimming.

Tennis, back in the Games for the first time since 1924, saw West Germany's Steffi Graf top off her Grand Slam year by winning the gold medal.

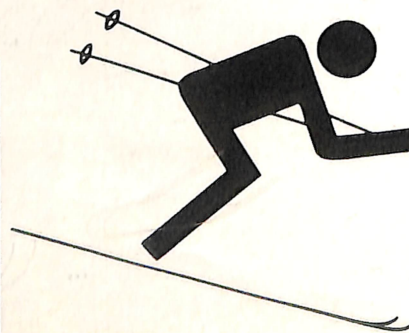

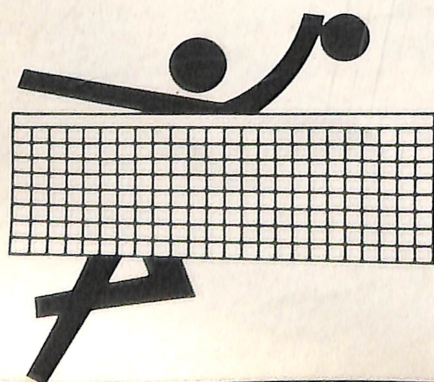

Swimming stars included Janet Evans and Matt Biondi of the USA as well as the GDR's Kristan Otto who accumulated a record six gold medals.

Track and Field was highlighted by the brilliant performances of Jackie Joyner-Kersey and Florence Griffith Joyner of the USA. Between them they shared six medals and each set a world record. For Canada, a pleasant surprise was the bronze medal captured by Dave Steen in the Decathlon.

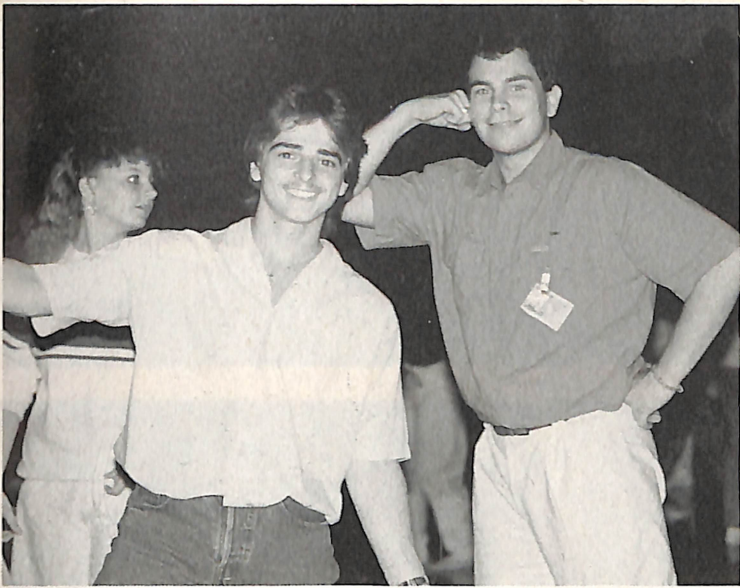

In team sports, the US men and Soviet woman won volleyball, while in basketball the winners were the US ladies and the Soviet men, who upset the heavily favoured USA in the semi-finals.

For Canada, the Games had to be a mild disappointment but for the Olympic movement and South Korea, a spectacular success. The facilities were superb and a record number of nations and athletes participated. The organizers of the 1992 Barcelons Games have a tough act to follow.

### Moving On

As I sit and ponder the future and what it holds for me,  
I wonder if I will make it, and live successfully.  
The world can be so brutal, and the competitions tough,  
A step towards my future will be contending, but most of all rough.

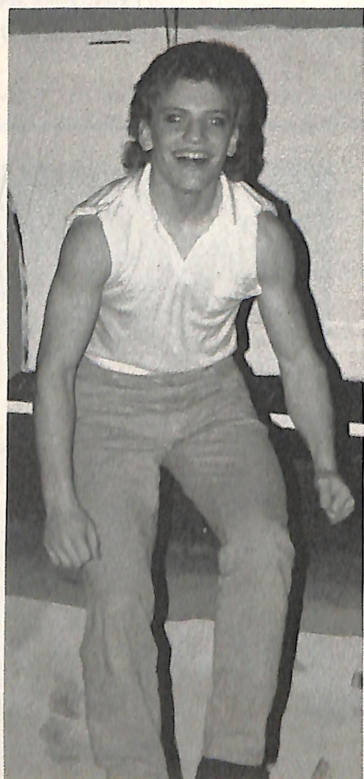

Now in my sheltered school I can go from class to class,  
without a worry on my mind about who or what will pass.  
The competition is low and the life is full of books,  
But the world outside these sheltered walls is complex...  
so it looks.

Once outside these walls, I will find my place in society,  
to make my mark within this world, with courage,  
determination, and gaeity.  
How can it be so hard, or as complex as it looks  
After spending five long years in the great white walls of SCITS!!

"In many ways, Sarnia Collegiate is like a large family. We disagree with each other; we help each other; we watch each other grow and change; we defend each other from outside criticism; we share happiness and sorrow; and, most importantly, we respect and appreciate each other. Let's be sure, as other things change, this never does."

# *Polysar Limited & S.C.I.T.S.* **OUR SECOND ANNIVERSARY**

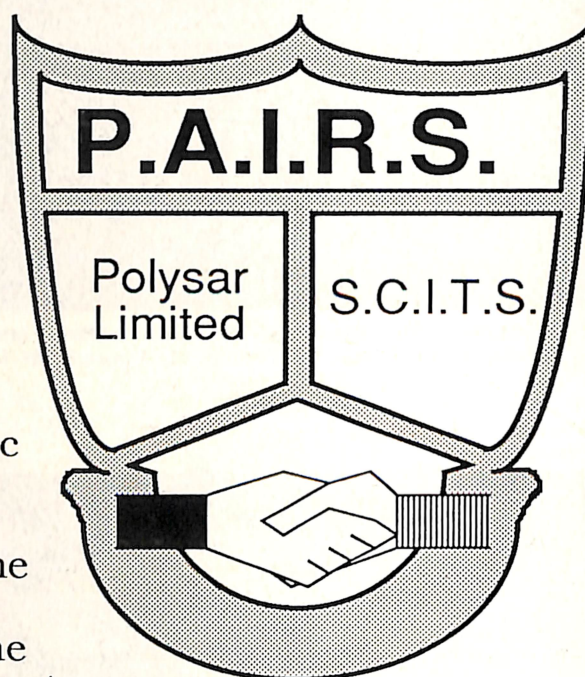

It's been more than two years since Polysar and S.C.I.T.S. signed a partnership agreement.

In 1988 a very unique job exchange was initiated. John Bennett (a S.C.I.T.S. biology teacher) joined Polysar for one semester working in our Biological Oxidation Plant.

Polysar Stereo operations manager, Martin Brown taught a number of chemistry classes at S.C.I.T.S. dealing with the manufacture of synthetic rubber.

The S.C.I.T.S. Cheerleaders were out to support the Polysar team at the Chamber of Commerce Corporate Challenge and also participated in the Canada Day Parade on the Polysar float.

These are a sample of the way Polysar and S.C.I.T.S. are sharing resources.
